## SHIKSHA (Education)

### 1. Highly Qualified Faculty

Experienced educators with specialisations in their subjects, are focussed on building a strong foundation of students, with an emphasis on conceptual and experiential learning instead of rote learning. Educators at SHEAT, impart knowledge beyond the text.

### 2. English-Speaking Environment

- Teachers and English Speaking Monitors ensure an English Speaking Environment in the school premises. Teachers use English as a medium of instruction, fostering a language-immersive setting.
- Dedicated sessions for Vocabulary Building, Pronunciation Drills, and Fluency in the language are conducted. Public Speaking Skills are developed through activities like Debates, Elocution, Newspaper Reading, Turn the Coat, etc., to unleash confidence, creativity, and competency in the English language.

### 3. Skill-Based Learning

Emphasis on Listening, Speaking, Reading, and Writing Skills. The curriculum includes activities that also cultivate Critical Thinking and Observation Skills in the students. Interactive teaching aids reinforce learning and clarity of concepts, making learning child-centric, productive and an enjoyable experience.

### 4. Personalised Attention and Academic Support

Regular Remedial Classes are conducted for slow learners or those needing additional help. Special focus is provided on Doubt-Clearing Sessions and Structured Revision Sessions throughout the academic year. Individual and group counselling sessions play an instrumental role in the holistic well-being of the students.

## 5. Personality Development and Event Management Skills

- Thematic Assemblies cultivate social awareness and research skills in students along with instilling values of team spirit, responsibility, confidence and independent thought process.
- Programs and activities beginning from Pre-Primary Section on Table Manners, Social Etiquette, Self-Grooming, Conversational Skills, Self-Discipline and roles like Line Monitors, Discipline Monitors, Cleanliness Monitors, and Student Councils foster qualities of leadership and civility.

## 6. Engaging Extracurriculars

Creative and innovative activities include Best Out of Waste, Poster-Making, Master Chef, and many more. Educational activities like Quizzes, Spin-a-Yarn, Show and Tell, Role Play, Ad-Mart, Brainstorming Sessions, Shopper's Mart, Spell-Bee, Poem Writing, etc., help students explore their latent talent and aptitude.

## 7. Teacher Skill Development

Teachers regularly attend workshops and educational seminars to hone their teaching pedagogies, and stay updated on the best academic practices across the globe, uplifting the academic performance of students.

## 8. Spiritual and Self-Development Practices

The School Curriculum includes Yoga, Meditation, Breath-Work, Mindfulness and Mind-Training to optimise the mental and physical health of pupils, inculcating moral values like Compassion, Empathy, Love, Forgiveness, Positivity and Gratitude.

## 9. Specialised Early Learning Programs

**Brain Development:** At SHEAT, we follow a multidisciplinary approach based on students' psychology. Our program ignites stimulating all the four lobes of the brain, enhancing cognitive capacity and fostering a holistic learning experience tailored for young learners.

## 10. Foreign Languages

French is taught from Class 3 onwards to strengthen students' language skills and broaden their global perspective.

## 11. Parent-Teacher Communication

ERP application facilitates easy, streamlined parent-teacher communication on a daily basis. Podcasts by students for guests and parents help develop interpersonal, communication, and social skills, driving them towards a dynamic personality.

## 12. School Cinema

**Film Pedagogy:** School Cinema is an integral component of the curriculum, featuring specially curated, meaningful films for teaching values on topics related to friendship, child safety, honesty, empathy, etc. This innovative program supports social-emotional learning, life skills, mental well-being, and social skills, creating future-ready students through cinematic storytelling and thought-provoking workbooks and digital activities.

## 13. Annual and Educational Events

- Science Exhibition, Sports Day, Investiture Ceremony, Annual Function are held yearly.
- Educational Tours to museums, historical monuments, industrial sites, etc. are organised throughout the session.
- SHEAT-hosted MUN (Model United Nations), fosters Global Awareness and inspires students to voice their opinions.

## 14. Karyashala

This segment of workshops offers vocational exposure in gardening, photography, pottery, etc.

## 15. VOICE

Guest Speakers like doctors, lawyers, army personnel, environmentalists, social workers, sportsmen, artists, etc., are invited regularly as role models, to enlighten the students with invaluable practical life skills and knowledge.

## 16. Brain Boosters

Abacus, Mental Math and Vedic Math training sharpen Numerical and Cognitive skills of the students. Participation in International and National Olympiads for Academic Excellence.

## SURAKSHA (Safety)

### 1. Health and Hygiene Standards

Strict measures in place to ensure a sanitary environment.

### 2. Personal Safety Awareness

In line with the provisions of the Prevention of Sexual Harassment (POSH) and Protection of Children from Sexual Offences (POCSO) Acts, we conduct regular sessions on Good Touch, Bad Touch, aimed at educating students about personal safety, boundaries, and their rights.

### 3. Comprehensive Surveillance

CCTV monitoring managed by trained personnel for added security.

### 4. Dedicated Classroom and Transport Support

Trained caretakers in classrooms and buses to look after Pre-Primary students.

### 5. Self-Defense Training

Essential skills like Martial-Arts are taught to empower students for personal safety.

### 6. Emergency Preparedness

Regular Mock Drills and First-Aid training ensure readiness for emergencies.
